

COMPUTER-PHONE SYSTEMS SPECIALIST

Program, Install and Support Digital PC Telephone Equipment

The Company:

T-Metrics, Inc. (www.tmetrics.com) is a software and hardware telephone systems developer. We provide Voice over IP and Digital Telephony solutions which utilize computer and network resources to enhance business communications. We are also a premier Nortel Development Partner. Our corporate, university, health care, financial, and military customers are located across the United States and in more than twenty countries around the globe.

The Position:

We are offering a unique opportunity to expand your Computer Science/Computer Information Systems education and experience personal growth while traveling around the world. You will learn our product base through training, on-site installations and customer support. Your growing knowledge base will give you the ability to expand our existing products and develop new products based on projected customer needs. Our current programming technologies include **C/C++**, **C#** and **Visual Basic 6** as well as **JAVA**, **ASP** and other Microsoft related programs.

The Perks:

T-Metrics is a privately owned company where ideas are freely expressed, employees are highly creative and shorts are welcomed attire. We work in a fast-paced environment that presents new challenges every day while still emphasizing a fun and enjoyable atmosphere. Our on-site installations provide opportunities to travel around the world with travel expenses paid. Our goal is to be a company that mentors, trains, and rewards employee individuality and team performance in return for fun, flexibility, and respect. We offer a 401k, Health Insurance and Paid Vacation.

Qualifications:

Computer Science / Computer Information Systems Degree

3.5 GPA preferred

IT experience with at least one employer

Military service a plus

For consideration, please email a cover letter and resume to:

opportunities@tmetrics.com

Applicants deemed pre-qualified for this position will be contacted directly. T-Metrics is a smoke-free and drug-free workplace in the office, facility grounds, customer sites, trade shows, and any function representing T-Metrics. Thank you for your information and interest in T-Metrics, Inc.
